

# Proposal Summary

## India Support for Preparation of CDPs by 8 Satellite Towns of the Mega-Cities in India

CDS, SU

### South Asia - India

<b>Summary</b>	The Joint Secretary (UD) and Director (UD), Ministry of Urban Development (MoUD), GoI held discussions with the World Bank and the Cities Alliance in regards to developing a World Bank – Cities Alliance (WB-CA) support programme to the satellite towns covered in the pilot phase for developing the Country Development Programmes (CDPs). The WB-CA support (the Project) would be in the form of technical inputs to the towns, covered in the pilot phase. The Project would provide technical inputs and guide the towns in: (i) process of preparing the CDP; (ii) contents of the CDP; and (iii) convergence between CDPs of the town and metropolitan city and with spatial plans of the city/region, and build a strong ownership of the CDPs by the towns
----------------	--

Objectives	Activities
The main objective of the Project is to facilitate the development of a modern, comprehensive urban development planning framework for NEW GENERATION CDPs as well as to develop these as a living document. The other sub-objectives include: a. Stock taking and standardisation of structure of plans b. Development of Urban infrastructure facilities linking to existing resources c. Enhancement of sustainability for urban infrastructure d. Explore potential of innovative public private partnership models e. Basic access to housing need for urban poor f. Promote Urban Local Bodies (ULB) level reforms	1. Initial Assessment of Satellite Cities, including Kick-off workshop, Rapid City Assessment and Alternative Engagement strategies 2. Hand Holding supports to cities, including city specific/cluster specific Engagement Planning 3. Capacity Development, including technical and resource workshops, exposure visits to national and international practices 4. Knowledge Management, including sharing workshops, process documentation and model planning guidelines 5. Dissemination, including website, newsletters, films and working papers
